

Approval Process

1. Once a complete set of documents are received, those documents will be forwarded by Commercial Manager of CPC to Standing Technical Evaluation Committee (STEC) for its recommendation after preliminary evaluation on submitted documents by the Commercial Function. Upon the recommendation granted by STEC, the same will be forwarded to Special Standing Cabinet Appointed Procurement Committee (SSCAPC) for approval. Upon obtaining the approval from SSCAPC, following steps will be taken. CPC reserves the right to request further clarifications as and when required based on the information/documents submitted.
2. Upon receipt of the approval granted by SSCAPC, the registration is confirmed to the Applicant in writing once the registration fee is done.
3. CPC reserves the right to call for any additional information / documents in respect to your organization at any time before or after the registration. CPC further reserves the right to suspend or cancel your registration at any time without giving any reason whatsoever and without any liability to any party.
4. On a written request made by the supplier, two months prior to the date of expiry of registration, CPC at its own discretion will consider renewal of supplier's registration for the following year.
