The Company Petrol/Power Dept.
 We intend the information furnished in the above and enclosed documents to be used for the purpose of the operation of the company and for management which may be in part by you. The

GENERAL CONDITIONS FOR CHEMICALS

1. Manufacturing date & expiration date should be clearly mentioned in each drum or package of all chemicals.
2. Supplied chemicals should be from the most recently produced new batch and in any case the production date should not be older than 6 weeks from the date of shipment.
3. Bid evaluation will be on calculated price as per purity on prorata basis.
4. Any undesirable contents of impurities will not be accepted.
5. Any deviation of parameters slightly less than the specified level has to be discounted in proportion to the given specifications if the offer is accepted.
6. Labeling of chemical containers should be as per GHS classification.
7. Technical data sheets and a GHS formatted Safety Data Sheet shall be provided with each chemical.

In case of any deviation to these requirements, supplier should obtain prior approval before delivery / shipment from CPC for such deviations.
